It's graduation time in Montague! Congrats to the class of 2024! Tomorrow MHS will be hosting Track and Field regionals. Come on our and support our athletes!

The end of the year is right around the corner. This is the time for underclassmen to focus on completing work and making sure credits are in order as they move forward to the next grade level. Any student that is eligible for summer school has been mailed a letter! If you receive one, please strongly consider have your child attend to recover credits they may have lost.

Monday our baseball teams will travel to 5/3 Ballpark to play games against Grant. We would love to see some fans for this special opportunity!

Next Friday we have a half day and then the following Monday we will be off for Memorial Day. The band will be traveling to Toronto during the weekend as well. Have fun bandos!
