Principal

Mrs. Christy
Thommen

thommenc@mapsk12.org

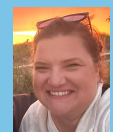

New Teaching Staff::

Ms. Goericke will be teaching 10th grade English and film studies. Mr. Geldersma will cover Chem/Physics!

New Support Staff::

Welcome Mrs. Tallquist as our new registrar and counseling secretary and Mrs. Yeager as our new LRE Aide!

Office staff have returned to the building and are preparing for our wildcats to return on Monday, August 26th! We all say it every year, but summer has flown by. I am hopeful that our wildcats were able to make some memories, make some money, and enjoy a Michigan summer! We have been busy hiring a few new faces at MHS. Check those out on the right side of this newsletter.

I know so many MHS families already, but if you are not familiar with me, this will be my 2nd year as principal at MHS. I am a Montague grad and live with my family in the district. I love this community and look forward to another year creating and continuing relationships while learning and spending time with our students and staff. This is an opportunity that I continue to be humbled to have and am excited for what the future holds for all of us.

There is a LOT of information in this packet and on our website. Note that registration is ALL online and will need to be completed to get schedules and locker information. Please be sure to look through everything and also get connected on facebook, instagram, and X to stay up to date on all things MHS!

As the construction project continues, we will keep you up to date on changes to drop off/pick-up as stages are completed.

I look forward to seeing many of your faces during our open house on the 21st!

Until then, continue to enjoy summer and make the most of your these last couple of weeks! Please reach out if you have any questions or concerns.

Important Dates:

8/15 - Power
School Portal
Opens

8/21 - Open
House & 9th
Grade Orientation

To our
summer staff
for making
MHS a great
place!

Quote of the Week:

“Breathe the
sweetness
that hovers in
August.”
—Denise Levertov
