athletes

Halfway through November already! Winter sports are soon to be in full swing and holiday music is being rehearsed. This is a very busy time of year for our building. Please be sure that your students keeps tabs on their academics and are being proactive!

I have been told that there may be a few snowflakes in the forecast for the end of next week! With that in mind, we would like to review some parking lot procedures to make sure our Wildcats are safe each morning. Student drivers are to use the west parking lot entrance in the morning and afternoon. This should be "one way" traffic as either everyone is entering or exiting at the same time. Drop offs should use the east parking lot entrance and then circle around the FIRST bank of parking spots and back out the east entrance. This makes the east entrance a two way. This allows for students to enter safely and promptly. Thank you for keeping our students safe! (Diagram shown on 2nd page)

We are planning a winter formal Dance for December 7th from 7-10pm. The cost will be \$5/person and guests from other schools will need prior approval through the office to attend. We hope to see a great turnout!

Thoughtful Thursday has turned into Thankful Thursday this week and next. Many students interviewed stated that they were thankful for their families. Thank you all for raising such great kids!

Important Dates:

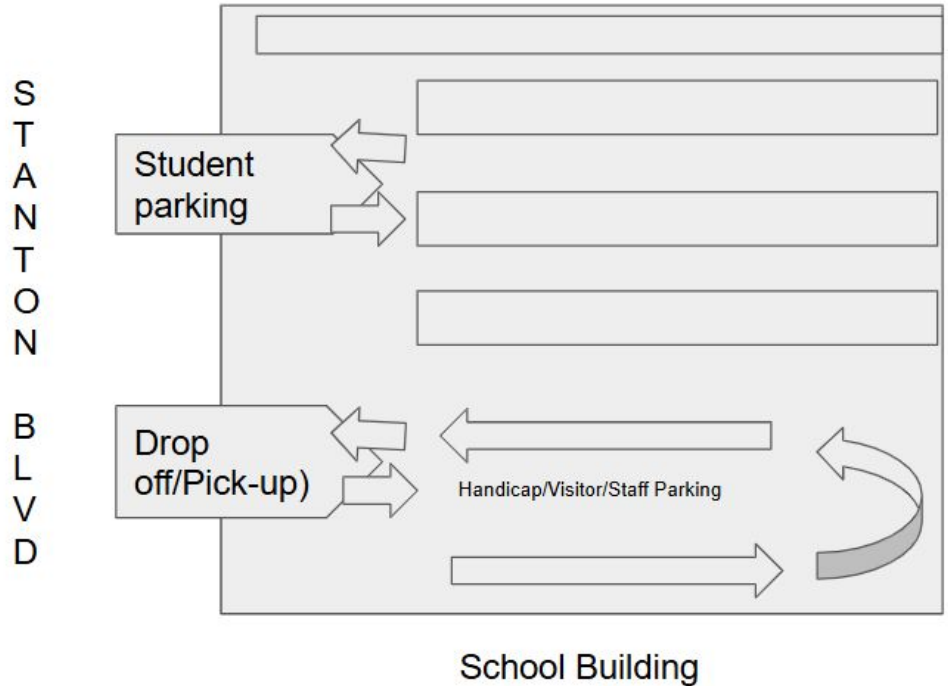

11/27-11/29 - NO
SCHOOL,
Thanksgiving
Break

To all those who
have taken tags
from the giving
tree in the
counseling office!
